MOTTO
Consider carefully the events of the past, for they throw light on events to come.

Future Graduates.

When we entered the doors of Perrysburg High School in 1955, we were yet to face the experiences which lay ahead of us during our four years of high school. As we look back over the accomplishments we have made beginning the year 1955 and ending this year, 1959, we see the progress we have made and the enjoyment we have had.

In our freshman year under the leadership of President—John Anning, Vice-President—Kay Sutter, Secretary—Bill Pugh, and Treasurer—Andree Bayliss, we sponsored a dance and held a class picnic. This was a year of getting acquainted for us.

Our goal during our sophomore year was earning money for our trip to New York. With President—Tom Hillabrand, Vice President—Jim Hufford, Secretary—Mary Ann McGuffin, and Treasurer—Joan Jeska, we sponsored a dance, a bake sale, and a fish fry. By earning enough money, we were able to benefit by our trip.

The biggest project during our junior year was sponsoring the prom. With our officers President—Bill Dhondt, Vice President—Ray Chatreau, Secretary—Colleen Sullivan, and Treasurer Joan Jeska, we put on a play and sponsored a fish fry. Because everyone in our class worked together, we earned enough money to give the prom.

Now, in this, our senior year, we have elected President—Jon Luzny, Vice President—Bonnie Webb, Secretary—Nellie Barnard, and Treasurer—Sam Adams. Under their leadership and under the guidance of our three devoted sponsors, Mrs. Kutzhe, Mr. Smith, and Mr. Munger, we have sponsored the Christmas Dance, a fish fry, and a play. By these projects we earned enough money for our trip to Washington.

We have had a lot of fun and have done a lot of hard work in our last four years as a class. By working together from the beginning of our freshman year, we have reached the goals which we aimed for. As we leave through the doors of Perrysburg High School as seniors in 1959, we now feel our last four years were worthwhile. We would like to thank our parents for their help on all of our projects. Their time and effort is greatly appreciated. We hope you, as future graduates, will recognize the values of these years and make the most of them. We wish you as much luck and fun as we have had in our years of school.

MARTIE

What we need is someone to direct traffic.

Hurry up! The second bell rings in two minutes!

Really, Mrs. Patterson, the seniors DIDN'T all skip school.

We'd rather look at the camera. Everybody knows that juniors don't study in homeroom.

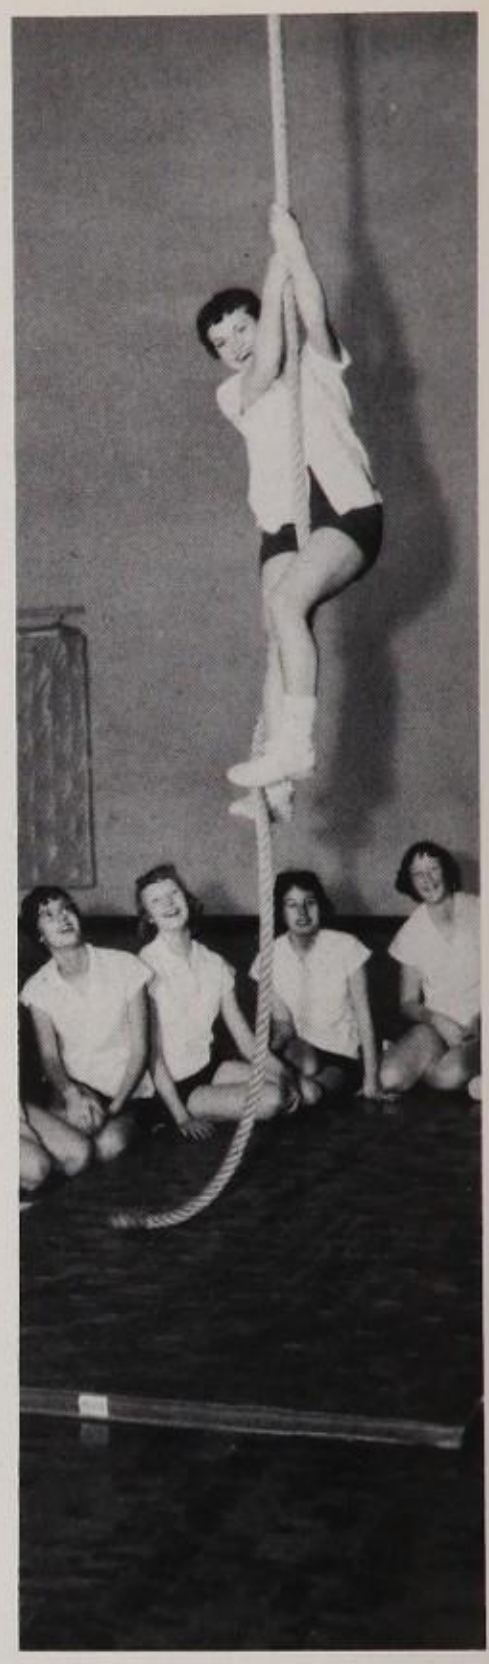
Dancers discuss the beautiful decorations during intermission.

Have some punch.

The Football Coronation

Queen Bonnie's subjects dance to the dreamy music.

Put in a little more and we'll be in orbit.



Me Jane. Where Tarzan?

Seniors? Studying? This picture must have been posed.

Je ne sais pas anything.

Somehow, everything I draw looks like chicken tracks.

Dancers stop to discuss what Santa Claus will bring.

Even alumni attend the dance.

And then she said . . .

The Christmas Dance, Snowflake Fantasy

Dancing under the mistletoe.

The cast and crew of the Senior Play try to look like they don't know that their picture is being taken.

But I need courage before I go onstage.

The Senior Class

"Young people just will overeat."

"You—you over-stuffed moron!"

A Winnebagushi W.

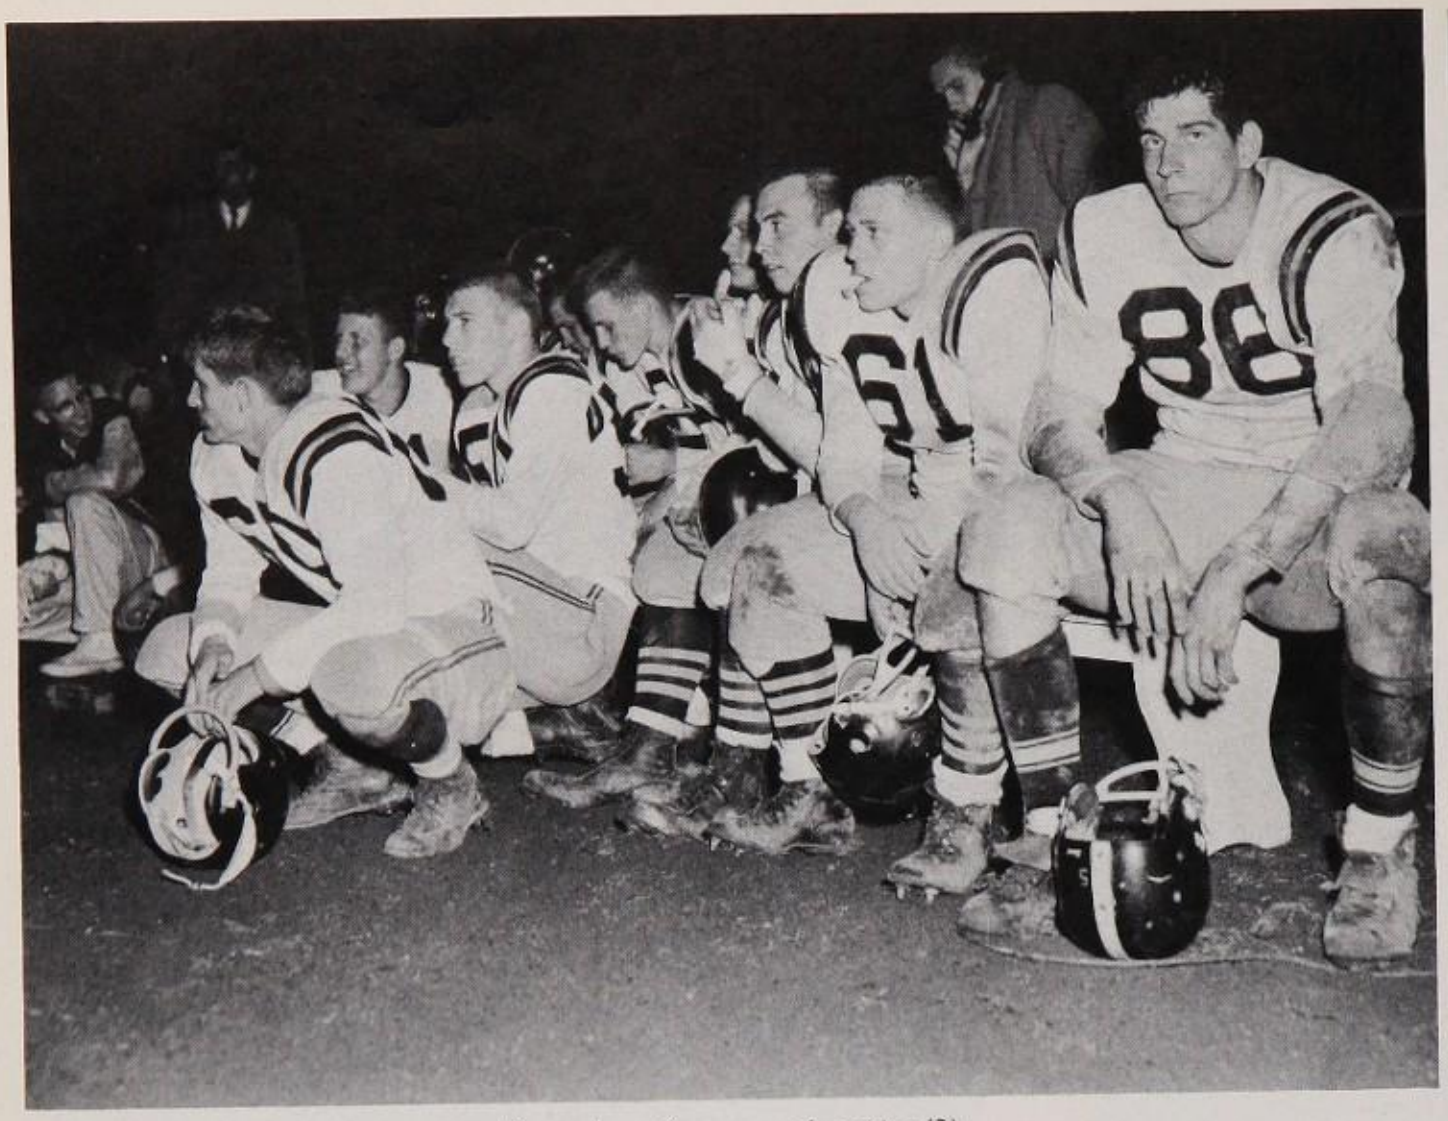
The Senior Ensemble. "We could make believe" . . . that there isn't anymore school.

The Basketball Coronation

Queen Kitty's Grand March.

Shall we dance?

Everyone dances until the end.



Perrysburg's men of action(?)

Patience, Anky, your turn will come.

Sports

The friendless referee

Go, Perrysburg! Beat Maumee!

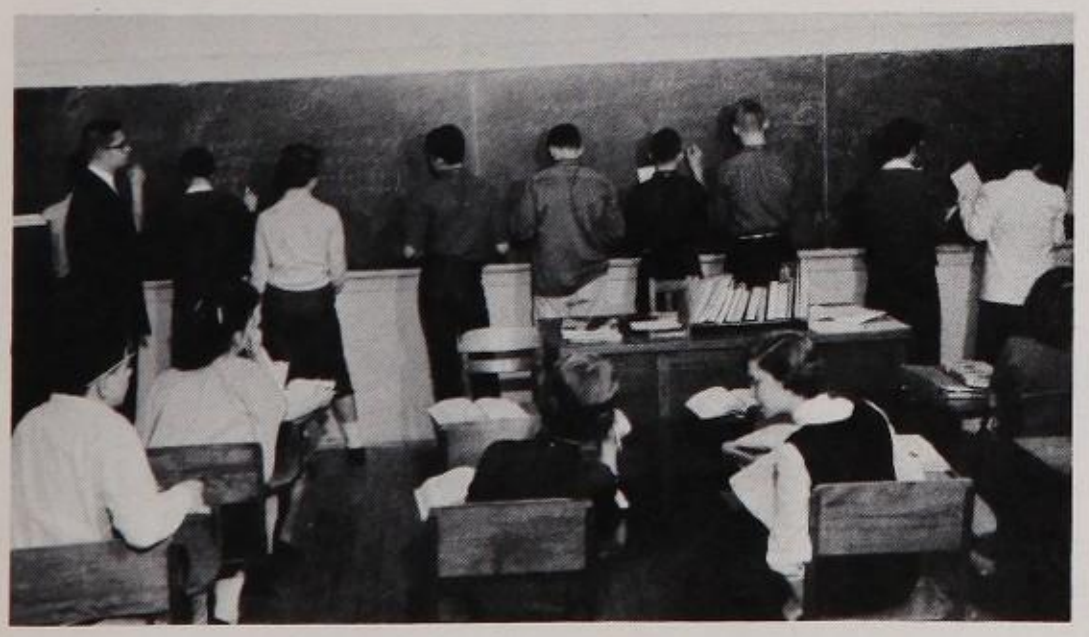
We DID beat them!

Ummm, good!

I know there's a heart here somewhere.

Now IS the tiNe foe all giiD mem . . . oops!

How are you fixed for dust cloths?



Do you suppose Einstein had this much trouble?

Don't look so unhappy, you're leaving!

1958-59

The Year of Champions

The year of 1958-59 is called the year of champions. The football team won the championship with an undefeated (9-0) record, and the basketball team won the championship with an undefeated (10-0) league record, and a 14-2 record over all.

The baseball team has most of their lettermen returning, and is the favorite to win the title again as it did in 1958. The track team had one of their better seasons last year, ending up with a 5-2 record. The same boys are back this year, and they should have a record equal to or better than last years.

Perrysburg High School in the last two years has the best record in sports of anyone in the Northern Lakes League, and of most the schools around here. The teams have compiled a total of 17 wins and only 1 loss in football, 27 wins and 6 losses in basketball, and in baseball they have won the league title for two years straight, and have the material to make it three straight.
